SUMMARY

HR professional with strong communication, documentation, and coordination skills, combined with basic technical understanding. Experienced in handling recruitment tasks, screening candidates, supporting onboarding, and maintaining HR records. Known for professionalism, problem-solving, and the ability to work in collaborative environments.

PROFESSIONAL SKILLS

- Design Understanding
- Team Collaboration
- Communication
- Problem Solving
- Critical Thinking
- Time Management

TECHNICAL SKILLS

Java, Spring Boot, AI, React, HTML, CSS, JavaScript, MySQL, MongoDB, REST APIs, Git, GitHub, Agile, Microservices, AWS, JIRA, Postman, Python, Email Writing, MS Office, HR Documentation, ATS

EXPERIENCE

Java Developer Intern — Infosys Springboard   Oct 2025 - present

Gained hands-on experience in developing enterprise applications using Java, Spring Boot, and React. Designed and implemented RESTful APIs to enable seamless data exchange between front-end and back-end systems. Collaborated within Agile/Scrum teams, contributing to daily stand-ups, sprint planning, and peer code reviews. Enhanced application performance by optimizing database queries and resolving critical bugs.

Project Engineer (Academic Role)   Jul 2024 - Present

Implemented full-stack applications using Java, Spring Boot, and React. Collaborated on 3+ group projects, taking the lead in backend development. Followed Agile methodologies for sprint-based project delivery and continuous improvement. Participated in code reviews, debugging sessions, and peer learning activities to enhance overall code quality.

Full Stack Engineer Intern — Main Flow   Jun 2025 – Aug 2025

Developed and maintained scalable full-stack applications using Java, Spring Boot, React, and PHP.

PROJECTS

Real-time Chatting App

Built a chat application using Spring Boot and React, enabling real-time messaging through WebSocket. Designed a clean and responsive UI using React for a smooth user experience.

Local Service App   **Notepad (GUI)**   **E-Commerce (Website)**   **Mini Projects**

EDUCATION

Bachelor of Computer Applications   Jul 2023 - Present

Teerthanker Mahaveer University (TMU), Moradabad — completed multiple academic and technical projects using Java, Spring Boot, React, and Spring AI.

Advanced Diploma in Computer Applications (ADCA)   Jun 2022 - Jun 2023
